25X1 This is a coordinated [] instruction:

25X1 1. Mr. [] is instructed to transmit through
our channel to Tracy Barnes for transmittal to the [] reports 25X1
in sanitized form marked TS. Barnes has been instructed to handle
material received in same fashion as [] reports hitherto trans- 25X1
mitted directly from Hqs. This, of course, should not interfere with
25X1 prompt transmission of [] reports to this Hqs.

2. In the event there is any coverage of _____, that
will be eliminated from the report by Barnes on receipt and prior to
25X1 transmission []
